

NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY

Project Name: Barlow Solar Energy Centre (the Project)

IESO Reference Number: L-006357-SPV-001-010

Project Location: Lot 20-21, Concession 4, in the Township of South Stormont, United Counties of Stormont, Dundas, and Glengarry, Ontario, bounded to the south by Cornwall Centre Road. The Project will connect to the Hydro One electrical grid at the Point of Common Coupling, located at Cornwall Centre Road.

Dated at: the Township of South Stormont, United Counties of Stormont, Dundas and Glengarry, and the City of Cornwall, on this 13 day of October, 2017.

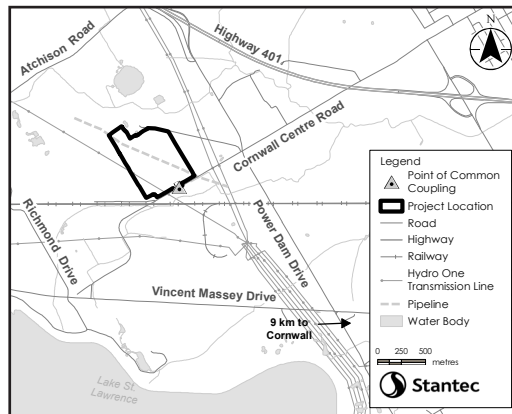

This posting is for a proposed Renewable Energy Approval by Barlow Energy Centre GP Inc., as general partner for and on behalf of Barlow Energy Centre Limited Partnership for the Barlow Solar Energy Centre project. The Project is subject to the provisions of the *Environmental Protection Act* (the Act) Part V.0.1 and Ontario Regulation 359/09 (the Regulation). This Notice is being distributed in accordance with section 15(1) and (2) of the Regulation after an application for a renewable energy approval has been submitted to, and assessed for completeness by, the Ministry of the Environment and Climate Change and has been posted on the Environmental Registry for public review.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the Project is to be engaged in, is considered to be a Class 3 Solar Facility that will be used to convert solar energy to electricity. If approved, this facility would have a total maximum name plate capacity of 10 MW. The Project location is shown in the map.

Documents for Public Inspection:

The final REA reports, prepared as part of the submission of a renewable energy application to the MOECC for this project have been posted on the proponent's website: <http://www.edf-en.ca/project/barlow/>. These documents provide information on the proposed Project including location, components, activities and potential environmental effects.

Environmental Registry Posting:

A proposal for a REA in respect of the Barlow Solar Energy Centre has been posted on the Environmental Registry at www.ebr.gov.on.ca (as referred to in section 5 of the Environmental Bill of Rights, 1993). The posting number is 013-1605. Comments in respect of the proposal may be submitted to the Director (O. Reg. 521/10, s. 7).

This proposal has been posted for a 45 day public review and comment period starting October 5, 2017. Any comments must be submitted by November 19, 2017.
