

# Romney Wind Energy Centre

## NOTICE OF COMMUNITY LIAISON COMMITTEE

### MEETING #2

On April 16, 2018, the Ministry of the Environment and Climate Change (MECP) granted a Renewable Energy Approval ("REA") for the Romney Wind Energy Centre (the "Project"), a 60-megawatt wind energy facility located on private and public lands in the Town of Lakeshore, County of Essex and Municipality of Chatham Kent, south of Highway 401, and extending along Richardson Side Road and east of Wheatley Road north of the community of Wheatley, Ontario.

The REA approval is an important milestone for the Project as it demonstrates that it is **compliant with provincial government requirements**. The construction phase of the Project **began at the end of 2018 and eventually leading up to the erection of seventeen (17) wind turbines in the summer and fall of 2019**. The REA (REA #3397-AV3MVX) and all REA reports and notices are accessible on the Project website (<https://www.edf-re.ca/project/romney/>). The first CLC meeting was held on October 4, 2018.

The second of at least four meetings to be held over a two year span is planned as follows:

#### CLC MEETING #2

Date: May 7, 2019

Time: 6-8pm

Location:

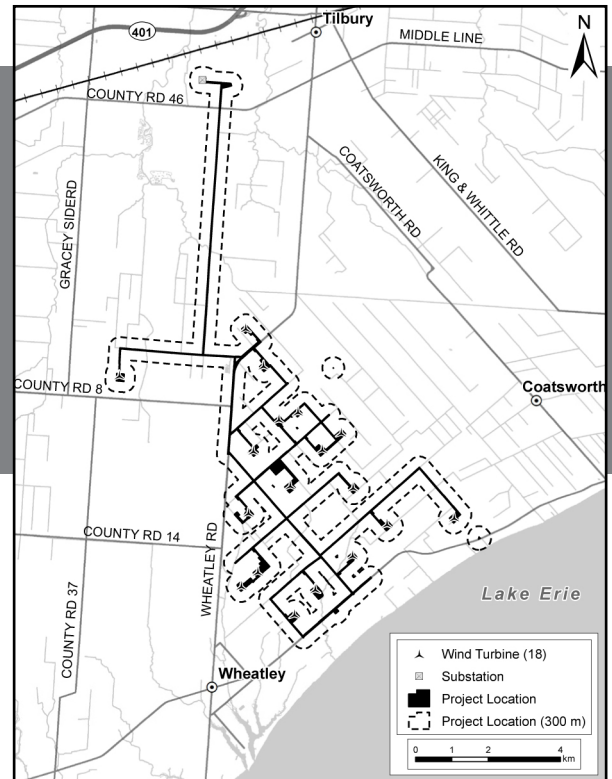

Wheatley United Church

59 Talbot Street West

Wheatley, Ontario N0P 2P0

The goals of the meetings are to provide project updates, discuss community interests, review and discuss the CLC Guidelines and establish functional procedures and content for the next meetings. The meeting will be open to the public for observation.

In general, the CLC meetings will provide a venue to share project updates relating to the construction, installation, use, operation, maintenance and retirement of the Project, discuss potential issues, and hear community interests, as provided by CLC members. Meeting materials will be available on the Project website after each CLC meeting.

For questions related to the Romney CLC, please contact us or visit our website.
