

NOTICE OF A DRAFT SITE PLAN

by Romney Energy Centre Limited Partnership to Engage in a Renewable Energy Project

Project Name: Romney Wind Energy Centre

IESO Reference Number: L-006356-WIN-001-060

Project Location: The proposed Romney Wind Energy Centre will be located on private and public lands in the Town of Lakeshore, County of Essex and Municipality of Chatham Kent, south of the Highway 401, and extending along Richardson Side Road and Wheatley Road near the community of Wheatley, Ontario.

Dated at: the Municipality Chatham-Kent, Town of Lakeshore and County of Essex this 26th day of January.

Romney Energy Centre Limited Partnership is planning to engage in a renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The distribution of this Notice of a Draft Site Plan and the project itself are subject to the provisions of the *Environmental Protection Act (Act)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This Notice must be distributed in accordance with section 54.1 of the Regulation prior to an application being submitted to the Ministry of the Environment.

Project Description:

Pursuant to the Act and Regulation, the wind facility, in respect of which the project is to be engaged in, is classified as a Class 4 Wind Facility. If approved, this wind facility would have a total maximum name plate capacity of 60 MW. This project is being proposed in accordance with the requirements of the Act and Regulation. The project location is described in the map below.

Documents for Public Inspection:

A Draft Site Plan has been made available to the public. The legal effect of this Notice is such that, pursuant to the Regulation, the Romney Wind Energy Centre must consider noise receptors as defined by the Act that existed only as of January 24, 2017. A written copy of the Draft Site Plan Report is being made available for public inspection at the municipal office of the Town of Lakeshore (419 Notre Dame St., Belle River, ON, NOR 1A0), the municipal office of the Municipality of Chatham-Kent (315 King Street West, P.O. Box 640, Chatham, ON N7M 5K8) and on the Romney Wind Energy Centre's website: http://www.edf-en.ca/projects/project_display/romney-wind-energy-centre.

Noise Assessment Report:

A Noise Assessment Report that demonstrates how the placement of turbines and transformer substations comply with the Ministry of Environment's 2009 publication entitled "Noise Guidelines for Wind Farms" has been issued for this project. A written copy of the Noise Assessment Report is being made available for public inspection at the municipal office of the Town of Lakeshore (419 Notre Dame St., Belle River, ON, NOR 1A0), the municipal office of the Municipality of Chatham-Kent (315 King Street West, P.O. Box 640, Chatham, ON N7M 5K8) and on the Romney Wind Energy Centre's website: http://www.edf-en.ca/projects/project_display/romney-wind-energy-centre.
