

# NOTICE OF PUBLIC COMMUNITY MEETING

## To be held by Romney Energy Centre Limited Partnership under the Large Renewable Procurement

Romney Energy Centre Limited Partnership, owner of the Romney Wind Energy Centre, was selected in early 2016 by the Independent Electricity System Operator (IESO) following their Large Renewable Procurement (LRP). The LRP was a competitive process for procuring large renewable energy projects generally larger than 500 kilowatts.

At the conclusion of the LRP, Romney Energy Centre Limited Partnership and the IESO executed a contract for the procurement of the Romney Wind Energy Centre, defined on a certain site and with a specific connection point. Romney Energy Centre Limited Partnership is proposing to submit a Contract Facility Amendment to the IESO regarding the Romney Wind Energy Centre.

This notice is being distributed to notify members of the public of a public community meeting that has been scheduled to discuss the Contract Facility Amendment. Information regarding Romney Energy Centre Limited Partnership, the Romney Wind Energy Centre, and the meeting details are described below.

This public community meeting is being held as part of the continuous community engagement requirements of the LRP. The public community meeting will present details about the Romney Wind Energy Centre and its proposed connection line. Representatives of Romney Energy Centre Limited Partnership will be available to discuss the Project and the overall development process.

Further details regarding the LRP process are available at [www.ieso.ca/lrp](http://www.ieso.ca/lrp)

**Project Location:** The proposed Romney Wind Energy Centre will be located on private and public lands in both the Town of Lakeshore, County of Essex, south of the Highway 401, and the Municipality of Chatham Kent, extending along Richardson Side Road and Wheatley Road near the community of Wheatley, Chatham-Kent, Ontario.

### Public community meeting information:

*Municipality of Chatham Kent*  
Wednesday, 7 June 2017  
Open to the public between 5:00 PM to 8:00 PM  
Tilbury Arena Ryder Hall,  
55 Bond Ave, Tilbury, ON, N0P 2L0

*Town of Lakeshore*  
Thursday, 8 June 2017  
Open to the public between 5:00 PM to 8:00 PM  
Comber and District Community Centre,  
7100 Community Centre Street, Comber, ON, N0P 1J

### Supplier/ LRP I Selected Proponent and Large Renewable Project:

- Supplier/LRP I Selected Proponent: Romney Energy Centre Limited Partnership (LP)
- Qualified Applicant from the LRP Request for Qualifications stage associated with the Supplier/Selected Proponent: EDF EN Canada Development Inc.
- Name of the Large Renewable Project: Romney Wind Energy Centre
- Renewable fuel of the Large Renewable Project: On-Shore Wind
- Capacity of the Large Renewable Project (MW): 60 MW
- Connection point of the Large Renewable Project: The Project will connect to the existing 230 kV transmission line located within the Town of Lakeshore and close to Richardson Side Road.
- Location of the Project and connection line: Municipality of Chatham-Kent, Town of Lakeshore
