

NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY

Project Name: Pendleton Solar Energy Centre (the Project)

IESO Reference Number: L-006355-SPV-001-012

Project Location: East of County Road 19 and south of County Road 2 (Lot 19-20, Concession 8), in the Township of Alfred and Plantagenet, United Counties of Prescott and Russell. The Point of Common Coupling (point where Hydro One will connect the project) is located within the road allowance on the east side of County Road 19.

Dated at: The Township of Alfred and Plantagenet, United Counties of Prescott and Russell, on this 25 day of October, 2017.

This posting is for a proposed Renewable Energy Approval by Pendleton Energy Centre GP Inc., as general partner for and on behalf of Pendleton Energy Centre Limited Partnership for the Pendleton Solar Energy Project. The Project is subject to the provisions of the *Environmental Protection Act* (the Act) Part V.0.1 and Ontario Regulation 359/09 (the Regulation). This Notice is being distributed in accordance with section 15(1) and (2) of the Regulation after an application for a renewable energy approval has been submitted to, and assessed for completeness by, the Ministry of the Environment and Climate Change and has been posted on the Environmental Registry for public review.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the Project is to be engaged in, is considered to be a Class 3 Solar Facility that will be used to convert solar energy to electricity. If approved, this facility would have a total maximum name plate capacity of 12 MW. The Project location is shown in the map.

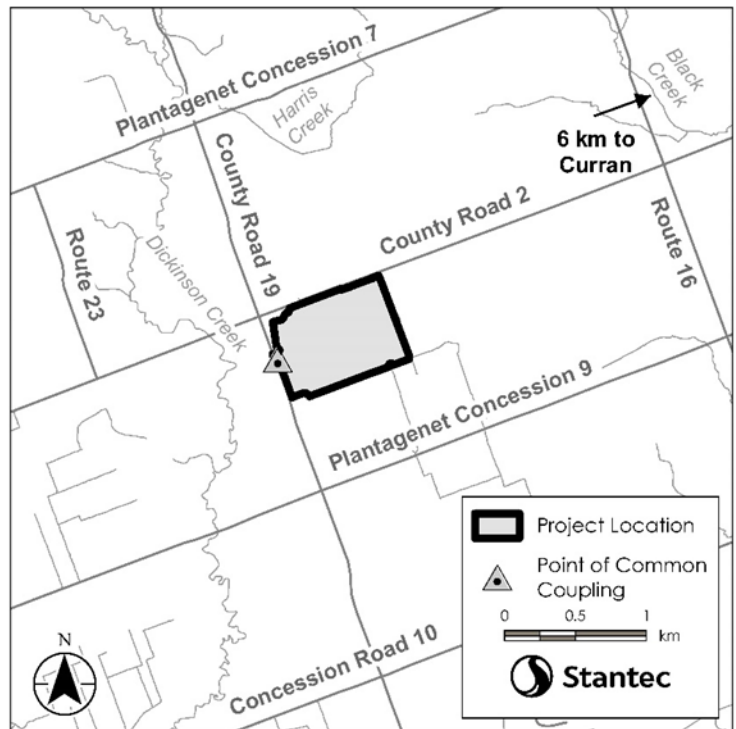

Documents for Public Inspection:

The final REA reports, prepared as part of the submission of a renewable energy application to the MOECC for this project have been posted on the proponent's website: <http://www.edf-en.ca/project/pendleton/>. These documents provide information on the proposed Project including location, components, activities, and potential environmental effects.

Environmental Registry Posting:

A proposal for a REA in respect of the Pendleton Solar Energy Centre has been posted on the Environmental Registry at www.ebr.gov.on.ca (as referred to in section 5 of the Environmental Bill of Rights, 1993).

The posting number is 013-1685. Comments in respect of the proposal may be submitted to the Director (O. Reg. 521/10, s. 7).

This proposal has been posted for a 45-day public review and comment period starting October 20, 2017. Any comments must be submitted by December 4, 2017.
