

# NOTICE OF A PROPOSAL

by Romney Energy Centre Limited Partnership  
to Engage in a Renewable Energy Project

## AND NOTICE OF PUBLIC MEETING

To be held by Romney Energy Centre Limited Partnership regarding a Proposal to Engage in a Renewable Energy Project

**Project Name:** Romney Wind Energy Centre

**IESO Contract Number:** L-006356-WIN-001-060

**Project Location:** The proposed Romney Wind Energy Centre will be located on private and public lands in the Town of Lakeshore, County of Essex, south of the Highway 401, and extending along Richardson Side Road and Wheatley Road near the community of Wheatley, Chatham-Kent, Ontario.

**Dated at** the Municipality of Chatham Kent this 26<sup>th</sup> day of September 2016

Romney Energy Centre Limited Partnership is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act* (the "Act") Part V.0.1 and Ontario Regulation 359/09. This notice must be distributed in accordance with Section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment and Climate Change.

### Meeting Location:

**DATE:** 26 October 2016

**TIME:** Open to the public between 5:00PM to 8:00 PM

**PLACE:** Tilbury Arena Ryder Hall  
55 Bond Ave  
Tilbury, ON, N0P 2L0

### Project Description:

Pursuant to the *Act* and Regulation, the facility, in respect of which the project is to be engaged in, is classified as a Class 4 Wind Facility in accordance with the provisions of the *Environmental Protection Act*. If approved, this project would have a total maximum name plate capacity of 60 MW. The location of the project is presented in the map below.

### Documents for Public Inspection:

The Project Description Report is a central summary document containing a description of project activities and potential environmental effects that may result from the Project. Romney Energy Centre Limited Partnership proposes to develop a wind project with a maximum nameplate capacity of 60 MW, which will measure approximately 5,093 ha (12,585 acres). The proposed project is a Class 4 Wind Facility as outlined in Part II of *Ontario Regulation 359/09*. The Romney Wind Energy Centre will generate renewable power and feed this electricity into the Ontario grid system.

A written copy of the Draft Project Description Report has been made available for public review on 26 September 2016 at the municipal office of Chatham-Kent (315 King Street West, P.O. Box 640, Chatham, ON, N7M 5K8). It is also available online on the project's website:
